## How do I get from Jodhpur to the ashram?

There are several government and private buses that can bring you from Jodhpur directly to the ashram, or to a nearby city where our driver can meet you. These buses are unmarked. The drivers are standing outside the buses and can direct you to the correct vehicle. Large bags are stowed beneath seating compartment, in the belly of the bus. The fee is 50-60 rupees, which will be collected after departure. When boarding, inform the driver of your intended destination - "Panchla Siddha". All fellow passengers can help you disembark in the right village. The bus station is located in Panchla Siddha directly in front of the ashram main gates.
